Subject: Provision of Transfer of Technology VN22 Wheeled Armoured Vehicle

Contract No. 47/5061/IT-Gen/2023-24/FOB/APCF/Proc dated 28 Jun 2024 refers.

1. HIT presents compliments to your esteemed organization and cherish our long-term relationship with NORINCO.
2. Contract referred above has been signed with M/S NORINCO for procurement of 1 x VN22 (6x6) Wheeled Armoured Vehicle. PSI and training of the vehicle is being carried out soon in China. Vehicle will be received in HIT as Semi Knocked Down kit and will be assembled in HIT with technical support of NORINCO. Same team will also conduct gap analysis for subsequent manufacturing from Semi Knocked Down Kit.
3. Keeping in view the assembly / manufacturing of subject vehicle at HIT in future, complete Technical Data Package covering following major cardinals may be provided to HIT:-
 - a. Confirmation regarding Joint development of Prototype at HIT premises (with assistance of OEM).
 - b. Provision of complete Technical Data Package / Production Data Package.
 - c. Provision of specialized equipment / tools / jigs & fixtures.
 - d. Training of Human Resource form OEM.
 - e. Sustenance support.
 - f. OEM's assurance regarding un- interrupted supply of major Unit Assemblies (Power Pack, Suspension, Brakes and kit items etc).
 - g. Gap analysis (any capacity building requirement to undertake prototype / series production in HIT).
4. Best regards.
